### Description

Make a more informed decision about this business with CreditorWatch RiskScore and Payment Predictor. RiskScore is a credit rating (between A1-F) that assesses an entity's likelihood of default in the next 12 months. Payment Predictor provides you with an entity's real-time payment data compared to the industry average to help you identify slow-paying debtors.

Combined, these insights allow you to determine the trading risks associated with this business.

### ASIC Insolvency & Published Notices

Insolvency and other published notices are provided by ASIC. These published notices provide details on external administrations, winding up applications (voluntary or by a court) and proposed company deregistrations, amongst other things. The notices contain important contact details and dates for creditors. These notices are provided directly from the ASIC insolvency notices website. If you require further information, visit <https://insolvencynotices.asic.gov.au>.

\* Please note: The information above is based on "on-file" ASIC data and may not be complete. To confirm current and previous directorships held by an individual please purchase a director extract for a registered company holding directors and shareholders. This section will identify those individuals and will include their roles, appointment dates, addresses, dates of birth, and birth details. For a more comprehensive understanding of an individual, a Personal Name (Director) Search can be performed (at an additional cost), which lists all their directorships and shareholdings.
